Sub: - HSE - National level debate competition - reg.

Ref: - Letter dated 26/5/2014 of the President, Indian Association for Hydrogen Energy and Advanced Materials.

As per letter in reference, it is informed that, Indian Association for Hydrogen Energy and Advanced Materials (IAHEAM- A national level academic body for popularizing Hydrogen Energy in association with IIT's, NIT's and other National Universities) is organizing a national level debate competition titled as HEAM PARLIAMENTARIAN – 2014 for higher secondary plus two students (State, CBSE & ISE) based on the topic ' Hydrogen Energy. Global perspectives and Indian Initiatives' on 23/06/2014, Monday at Senate Hall, Palayam, Trivandrum to create the awareness about Hydrogen energy. Energy Management Centre (Government of Kerala) and ANERT (Government of Kerala) are the sponsors of the above programme.

Hence the Principals/Science club conveners of all higher secondary schools may select a team of two students and assist them to download the registration form and other details from the association website [www.iaheam.org](http://www.iaheam.org). The last date of registration via online is 07/06/2014. For doubts and enquiries please contact the teacher coordinator of IAHEAM, Suma.M.S. (HSST in Chemistry, Govt. HSS Kulathoor, Thiruvananthapuram) contact No. 9400701309.

**JOINT DIRECTOR (ACADEMIC)**
