Ref:- Letter dated : 10/03/2017 from Chief Executive Officer, ASAP.

As part of ASAP programmes, the Skill Development Centres (SDC's) scheduled regular as well as Summer Skill Programme during April – May 2017. With regard to the Evaluation Camps in April, the Co-ordination Committee Meeting held under the Chairmanship of Principal Secretary, Higher Education decided that the SDC's and centralized valuation camps should remain functional at the same time in the schools during summer vacation. In the circumstances it is informed that if there is any acute shortage of space for the above programmes, the space of High School can be used for the same.

All Principals are directed to make necessary arrangements for the smooth conduct of the ASAP programme as well as the evaluation camp.
