Compartmental students

Candidates who failed to become eligible for higher studies in the Higher Secondary Examination conducted from March 2007 to March 2009 appeared for the examination in March 2012 as Scheme II candidates. Out of 5583, students in this category, 3156 students qualified for higher studies (56.55 %).

Scheme I candidates of March 2010 and 2011 Higher Secondary Examination who failed to attain D + or above grades for all subjects and who had attended the First Year Higher Secondary Improvement Examination in September 2011 also registered for March 2012 examination as Compartmental candidates under Scheme I. Out of 21601, students in this category, 10397 students qualified for higher studies (48.13 %).

The students who studied before 2007 and who were not able to pass in the higher secondary examination yet, appeared again during March 2012 examination in Scheme 3. Out of 415 students, who appeared in this scheme, 255 students passed the examination (61.45 %).

Examinations

Students under Scheme I and Scheme II were evaluated based on the scores obtained by them in Continuous Evaluation, Practical Evaluation and Terminal Evaluation.

Continuous Evaluation scores were determined on the basis of the activities under taken by the students through the class room process based on pre-defined activities and indicators. These scores were monitored and attested by a team of senior teachers after inspecting each school. Up to 20% of the total scores were awarded through CE.

The practical examinations were conducted from 21st February 2012 to 7th March 2012. The practical examination question papers in each subject were prepared by a team of senior teachers representing all districts. The examinations were monitored by a Chairman for each subject and Chief examiners for each subject in each district. These examinations were conducted by external examiners. 20% of the total score is the maximum score for each practical paper. For music the total score for practical examination is 40%.

The examination results were determined by combining the scores obtained by the candidates in the first and second year examinations. The first year scores obtained by the candidates at the First Year Higher Secondary examination conducted during 14th March 2011 to 26th March 2011 and the First Year Improvement Examination conducted from 26th September to 30th September 2011 were reckoned for finalizing the results.

The Principals of Government and Aided schools were posted as Chief Superintendents of their respective schools.

The examination was conducted in 1922 centres. Of these centres, 9 each were in the Gulf and Lakshadweep and 6 in Mahe. Besides the Chief Superintendent, one senior external teacher was posted to each school as Deputy Chief and external Assistant Superintendent in the ratio of one teacher for every thirty students to each school for invigilation duty

The examinations were conducted in three schemes for 52 subjects. Besides these, examinations were conducted for special schools with special questions papers for 14 subjects and also for Kalamandalam Art students with 33 question papers. The question papers were set by eminent teachers who were given proper training based on Edumate prepared for evaluation, Source Book, pool of questions, model question papers, previous years question papers and their review.

Scheme Finalisation

The scheme, answer keys and scoring indicators were finalized at a camp held from 29th to 31st of March 2012. About 1200 senior teachers participated in the camp from all districts in various subjects. A skeleton scheme was prepared based on which mock valuation of answer scripts was conducted. After understanding the students' ideas using the experience in teaching, a final scheme was framed.

Valuation

Valuation of answer scripts were done in 55 camps in various places of the state. About twenty thousand teachers participated in the valuation process. The camps started on 9th April and the second year valuation process was completed on 9th May. The valuation was conducted after one day training for the examiners.

There were separate camps in each of the fourteen districts for double valuation of the scripts in Physics, Chemistry and Mathematics. About 165 teachers worked as Camp Officials from early morning to late night for about two months for the smooth and accurate work of valuation.

Tabulation

The tabulation of marks for papers other than those that required double valuation was done in the computer centre of the Directorate using the software prepared by National Informatics Centre (NIC). The tabulation of Physics, Chemistry and Mathematics papers was done online in the camps itself. Separate arrangements were made for uploading the data to the data centre by KSWAN, leased line of BSNL and Broad band connection with Unique IP. Elaborate arrangements were made for this with the help of IT@ School, IT Mission and BSNL. 30 staff and 100 data entry operators on daily wages worked in the Directorate and about 200 teachers in various double valuation camps participated in the work from 7 AM to 7 PM for about 50 days.

Other matters relating to examination work

All the examination related works were undertaken by utilizing the IT tools and internet facilities. The data of the students to be registered for the examination were collected from the admission database and were given to schools with separate software to upload the list of registered candidates. The CE scores were uploaded using the software prepared by NIC. The question paper account was also prepared and verified through the portal and software. The nominal rolls were published through the portal and the hall tickets were made available to the schools through the portal. Duty posting, account preparation, seating arrangements, seating slips, absentees list, packing slip, duty certificates, acquittance etc were prepared by the software 'HSE Manager'. All the data preparation, collection, data regarding accounts in CV camps were done by the software 'CV Camp Manager'. The data of teachers and schools were also collected and postings were done using the software 'school soft'.

Grace Marks

Grace marks are awarded to 25552 students with proficiency in extracurricular activities such as state youth festival, NCC, sports, Shastra Melas, Kalotsavams and NSS. Grace marks are awarded to the students for the year in which the student had participated and achieved the required eligibility, (First/Second Year). The Grace Marks for NSS and NCC are awarded at the end of Second Year by considering the combined scores of first and second year.

Results

The results will be available to the students from 1 PM of May 15th through the Websites: www.dhsekerala.gov.in, www.keralaresults.nic.in, www.results.itschool.gov.in, www.cdit.org, www.examresults.kerala.gov.in, www.prd.kerala.gov.in, www.kerala.gov.in, www.educationkerala.gov.in. Students can download their score sheets from the websites and the schools can take copies of the combined results of their school. Copies of mark lists will be available in the PORTAL. Measures are taken to download the results without any delay. Arrangements are made to send the results by SMS through mobile phones of various service providers by IT mission.

Certificate

The scores obtained for CE, TE and PE for both the years and the combined score and grade will be shown in the certificate. It will also show whether grace marks are awarded to the students. The distribution of certificates through the schools will be completed by the middle of June. There will be facilities to issue provisional certificates and to attest the copies of mark lists taken from internet.

SAY/Improvement Examination

The Say/Improvement examinations will be held from 18.6.2012 to 22.6.2012, as per the time table given below. Those who had registered in the March 2012 examination in scheme 1 can apply for the SAY examination for those papers in which they failed to obtain D+ grade. Those students who appeared for the examination in Scheme I and Scheme 2 as compartmental candidates can apply for the SAY examination for one paper if they have obtained D+ Grade or above in all the other five papers. Those compartmental students who have to become eligible for more than one paper in Scheme I & 2 will not be eligible to apply for the SAY examination. The students who had appeared for the examination in Scheme 3 are not eligible to apply for the SAY examination. Those students who are eligible in all six papers and who had written the examination for the first time as regular candidates in March 2012 can apply to improve their grades in one subject (only one) through the improvement examination.

The examination is conducted for second year papers only. Students need to appear for the second year theory papers only. The scores they obtained for the continuous evaluation, practical evaluation and first year TE will be carried forward. Those students who were not able to attend the practical examination should attend the practical examination also. They have to remit an additional fee of Rs. 25/- per paper. They have to appear for the practical examination in the district headquarters.

The fee for SAY examination is Rs. 100/- per paper. Fee for improvement examination is Rs. 400/- per paper. The students should apply for the examination through the school where they had appeared for the examination. The Say examinations will be conducted in certain selected centers only. The students should collect their admission tickets from the school where they submitted their applications i.e. their parent school and appear for the SAY examination at the SAY centre to which their school is clubbed. The application form will not be received in the Directorate and late applications will not be accepted on any account. The last date for receipt of the application in schools will be 24.05.2012.

The examination will be in two sessions. The morning session begins from 9.30 AM and the afternoon session begins from 2.00 PM. The duration of the examination will be 2.45 hours and 2.15 hours for subjects without practical and for subjects with practical respectively including cool off time.

Revaluation, Scrutiny, Photocopy

Students who desire to apply for revaluation/scrutiny can submit their application with prescribed fee to their parent schools. There shall not be revaluation and counting facility for Physics, Chemistry and Mathematics, as these answer scripts were subjected to double valuation

at the centralised valuation camps. Students can apply for photocopy of their answer scripts for all subjects including Physics, Chemistry and Mathematics. The fee for revaluation, scrutiny and photocopy are Rs. 400, Rs.75 and Rs. 300 respectively. The application should be submitted to the Principals of the concerned schools where they had registered for the examination. The last date for the receipt of application is 29/05/2012. The prescribed application form can be had from the schools or from the department portal (www.dhsekerala.gov.in). The applications will not be received directly in the Directorate. On completion of the revaluation process, changes if any will be intimated to the students through the portal and fresh certificates will be issued to them on production of the original certificates within the stipulated time.

Migration Certificate

Migration certificates will be issued from the Directorate to those students who want to go for higher studies outside Kerala. Scheme-I & II candidates of HSE, March 2012 shall submit the application in the prescribed form with fee of Rs. 50/- to the schools where the students had appeared for the examination. The application for migration certificates of candidates who appeared for Higher Secondary Examination earlier than 2012 and that of duplicate certificates will be received in the Directorate duly forwarded by the concerned Principals.

Acknowledgement

At this moment this Directorate wishes to place on record its sincere thanks to the DPI, the DDs, their staff, the staff of the Secretariat, the HSAs and the PD teachers for their whole hearted co operation. It was their sincere co operation that helped this highly understaffed department to bring forth the results in time.

The timely preparation of numerous softwares, their maintenance and monitoring by NIC team made the whole process of examination simple and accurate. It is the strenuous efforts, co operation and timely intervention of the NIC under the leadership of Smt. Bindu S. Kumar and Smt Nissy George that made the whole process a complete success.

The sincere efforts and unstinted co-operation of the staff members of the Higher Secondary Directorate throughout the entire process of the examination work is noteworthy and highly appreciated.

The software prepared by Sri.Sajan Mathew, Sri.Sunil Kariadan, Sri.Sathian and Sri.Dileep needs special mention as their software simplified much of the strenuous and time consuming work associated with the examination.

The Regional Deputy Directors and the District Co-ordinators had rendered tremendous help and vigil in sticking to the time schedule during the whole examination process. I take this opportunity to acknowledge the tiresome and dedicated work of the camp officials in managing the valuation process which paved the way for timely publication of the result.
