Sub: HSE-Career Guidance: “KERALA STARTUP MISSION”- AI/Machine Learning Workshop–Selection Test -reg.

Ref: Letter received from Kerala Startup Mission dated 21/12/2020.

Kerala Startup Mission proposes to give hands-on introduction to Artificial Intelligence and Machine Learning for the school students to motivate and also to provide the knowledge about the startups. The programme will be a 4 days intense online programme with deep dive into AI/Machine Learning for the school students.

The students will get hands-on experience in developing a handwritten digital recognition AI model using PYTHON platform. The faculty of the programme will share code using Google Co-laboratory and will do the trouble shooting sessions using Google Meet.

The programme is exclusively for **+1** students of the state. For participating in the 4 days online workshop, the students have to attend the selection test scheduled in the Google link given below. The online test is scheduled on **24th of December 2020, 11.00 AM to 1.00 PM.**
