

ACKNOWLEDGEMENT

The First and Second Year Higher Secondary Examinations have concluded on 22/03/2014. I am happy to note that the examinations were conducted very smoothly and fairly.

At this moment, I wish to place on record my whole hearted and sincere gratitude to all staff members of this Directorate who were directly or indirectly involved in the examination process, the Regional Deputy Directors, the District Coordinators, all Higher Secondary School Principals, the Higher Secondary School Teachers and the Lab Assistants who put in their hard labour for the smooth and fair conduct of the examinations.

The timely preparation of numerous softwares, their maintenance and monitoring by the team of computer Science teachers and the staff of NIC entrusted with the same made the whole examination process simple and accurate. Had it not been for their strenuous efforts, the conduct of examination would not have been so fair, transparent and smooth.

I also express my sincere thanks to the DPI and the Regional Offices under the DPI for lending me support and co-operation throughout the period.

I must thank Sri.K.N.Satheesh.I.A.S, Director, Higher Secondary Education for all the learned and experienced advice that helped me a lot in the conduct of examination. I would like to extend my special thanks to Sri.Keshvendra Kumar I.A.S, former Director, Higher Secondary Education for his time and careful attention to detail.

Last, but certainly not the least I must acknowledge with deep thanks the co-operation extended by the Director, Vocational Higher Secondary Education and the Secretary, Board of Vocational Higher Secondary Examination.

Thanking You,

**Sd/-
DR.K.MOHANA KUMAR
JOINT DIRECTOR (EXAMINATIONS)
&
SECRETARY
BOARD OF HIGHER SECONDARY
EXAMINATIONS (KERALA)**
